25X1

1. All buildings and installations of the POSTENITZ (M 54/T 09) airfield were destroyed. The field was unserviceable and unoccupied.

25X1

2. The field was destroyed and unoccupied. Reconstruction work was not being done.

25X1

3. The airfield could not be reconnoitered as numerous border sentries were posted in the surroundings. According to local residents, the entire field was destroyed and unoccupied.

25X1 Comment:

The above information agrees with all previous reports on the POSTENITZ airfield. The field is unserviceable and no indications of an intended reconstruction have been observed.

This document is hereby regraded to
